

24th Annual Crab Feed

I was worried for a while, but all is well now that the commercial fishermen are hard at work seeking out the local Dungeness crab we all love. IYC members, and up to two guests, can attend an evening of greeting fellow members and friends while enjoying the sweet delicacy of our ocean at the annual IYC Crab Feed on January 21, 2012.

The fun begins at 6 PM with cocktails and sodas served by our volunteer crew at the bar. The consumption of crab, salad, bread, and desert will begin at 7 PM.

Your check is your reservation so send \$23 for adults or \$15 for your children to the Wallace's home at 621 Calle De La Mesa, Novato, Ca. 94949 to reserve your spot.

If you have any questions or would like to volunteer to help call Dave & Eileen at 415-883-0819.
