## Enjoying Oysters at the Club!

Saturday, June 28, 2008

4:30 7:30 PM

on the Deck at the Inverness Yacht Club

Please join us for a twilight gathering to sample, savor and slurp  
fabulous OYSTERS from our local waters!

We are relocating this yearly tradition to the IYC from across the bay at Tomales Bay Oysters...but do not be dismayed! We will present the delicious produits du mer from our friends Drew and Gretchen Alden's TBOC as well as the Lunny family's Drake's Bay Oysters for your enjoyment!

For \$12, you will be able to:

- Learn how to shuck and BBQ oysters yourselves from experienced and talented shuckers!
  - Savor the variety and nuances of oysters grown in our nearby estuarine locales!
- Appreciate an array of libations: fine wines, refreshing brews, and quenching sodas!
  - Graze on a cornucopia of cheeses, veggies, and other tasty snacks!
    - Venture forth on a brief motorboat ride on the Bay!
- **Most of all, raise a glass and a bivalve and declare boldly:**

**SUMMER IS HERE and SO AM I!**

Please RSVP to Katherine Landreth @ 415-669-7161  
Payment will be accepted at the door.

Families/Youth Sailing instructors and students, and well-behaved canines ALL  
encouraged to attend!

**See you there!**
