

## “Clear the Decks” Inventory Blowout

### Christmas Gifts at Garage Sale Prices!

*Ship's Stores has boxes and boxes of merchandise that has not sold for some time*, often because the most popular sizes sold out and we are left with disproportionate quantities of Small or 2XL with, perhaps, only one or two large or extra large sizes. ***This is new, quality merchandise at rock bottom prices.***

**Youth Hoodies** (not the ones marked Youth Sailing) in sizes from Toddler ( 2-4 years ) to Medium (10-12 years) in heather, royal blue, navy blue, red and navy, all priced at \$5.

**Indigo denim shirts** with signal flag logos. One (1) is an XL, four (4) are 2XL, all on offer for \$15.

**Long sleeve jackets** that zip up to a turtle neck closure. They are warm, quality garments embroidered with the IYC burgee. Since our whole inventory is three small and two extra large, they're on offer for \$20. Colors are wheat brown, anthracite grey and lava red.

**Port Authority fleece vests:** 1 small, 1 medium, 2 large, 1 XL and 2 2XL, in a variety of colors, on sale for \$25. Embroidered burgee.

**Screen-printed pull over adult hoodies** from Port & Company, now priced at \$15 and two Jerseys navy hoodies screen-printed front and back with the IYC burgee for \$5.

**Ladies knit pima cotton polo shirts**, three XS, 2 small, one medium and 2 large, all sizes in blueberry, XS and large in white. \$12. Embroidered burgee.

**Stoned Washed polo shirts** in highland blue, olive and grey smoke, mostly small and medium, one each L and XL. Embroidered burgee, all \$20

**Lots of adult T shirts** in Carolina blue, sports grey, navy, dark green and black, all with screened with Inverness Yacht Club around the burgee, all sizes, now all at \$12. Two youth “T”s. one Small green, one Red large—first person to the table with an offer gets one.

**We have three plastic infant bibs**, each with a pelican on the front, but NOT our burgee! Take one!

Except for the Youth Sailing items, I'll post our whole inventory on the IYC Notice Board. If you can't make it to a dinner or open house, I'll meet you at the Club any time.
